

Phone Script for calling your Elected Officials

Receptionist: "(Name of Representative/Senator)'s Office, may I help you?"

Oil Solutions caller: "Hello, my name is _____. I am calling to ask (the senator/the representative) to take three steps that will alleviate the pain we are all feeling at the pump.

1. Start domestic drilling for oil immediately.
2. Start building refineries domestically immediately, as well as pipeline infrastructure.
3. Strengthen the dollar and reduce inflation by cutting government spending. "

Receptionist: "Thank you for calling. I'll be sure (elected official) receives the message."

Oil Solutions caller: "Thank you for your time."

Note: Please be courteous. Remember you are speaking to a fellow citizen.
